The evening will start at 5:00 p.m. with appetizers and music by Bob Mora and the 3rd Degree. Dinner will start at 6:00 p.m., followed by a presentation by our keynote speaker, California State Controller Betty Yee. Ms. Yee will talk about the state's financial status and offer inspiration and strategies for the June election and beyond.

Following Controller Yee's talk will be candidate remarks, the dessert dash, auctions, and more music and dancing until 10:00 p.m.

The net proceeds from the Blues Party will help us in this critical election year by funding our Get Out the Vote effort, phone banking, media and print advertising, along with helping to defray rental cost for important high visibility office space.

First Tuesday Summary - By Michele Spencer

Three candidates, namely SHANNAN MOON, JOHN FOSTER and BILL SMETHERS, are running for Nevada County Sheriff in our upcoming June '18 Primary. PASCALE FUSSHOELLER of Yuba Net moderated this very well attended debate by asking each of these candidates many relevant and penetrating questions.

There was much these three candidates agreed upon. All three believe proper supervision, discipline, transparency and accountability, as well as outreach to the community, are fundamental to developing trust in the community and to having an effective Sheriff's Office. The Party of Slavery? - By Richard Hurley

I am an historian by inclination and by trade, and I have spent a lot of time looking into America's painful record in matters of race and slavery. That is why a newly popular taunt by unthinking GOP partisans bothers me more than it probably bothers most people. I refer to the claim – usually breathlessly pronounced – that the Democratic Party is the home of slavery and the KKK. “Gotcha!” cries Uncle John at the Thanksgiving table. “The Democrats are the real racists!” [To read more, click here, then scroll down...](#)

Be Informed! Choices Matter! - By Milan Vodicka, Ph.D.

According to many spiritual traditions, the three vices of life are greed, hate, and ignorance. Those three, of course, come in many shades and variations. In this writing, I will concentrate on ignorance. I think it is imperative to counter it by being informed, truly informed. It is an important message for this time, when we shall be stepping into a voting booth to give a voice to values we support. [To read more, click here, then scroll down...](#)

Breaking the Cycle of Poverty - By Lisa Schliff

The test of our progress is not whether we add more to the abundance of those who have much; it is whether we provide enough for those who have too little. — President Franklin Delano Roosevelt

Affordable housing in Nevada County: these days it's an oxymoron. You just can't find it. The impact upon low and moderate income residents here is considerable. LaMalfa Watch - By Robert Provanzano

Where does the LaMalfa campaign get its money? According to OpenSecrets.org at the latest filing Mr. LaMalfa has raised \$343,840; spent \$166,117; has \$266,840 cash on hand; and \$16,621 in debts. Mr. LaMalfa is certainly not a populist, having raised only 2.64% of his money in small contributions (<\$200); while 52% of his campaign funds come from large individual donations and 44.64% come from PAC's. Mr. LaMalfa puts none of his own money into his campaign. [To read more, click here, then scroll down...](#)
